

Darol Anger's Republic of Strings

generation nation

"Darol Anger is the quintessential improvising violinist."

- CBS Sunday Morning

"Nobody in the fiddle world has found himself on the front edge of progressive acoustic music as often as Darol Anger."

- Fiddler Magazine

"Darol is one of those players who likes it when the music becomes indescribable. He benefits from not being pigeonholed. I have always loved Darol's approach to music—the soulful qualities of his playing... an appreciation for the roots of things."
